Event Format - Events may use standard knockout draws, progressive or staggered draw formats, according to entry numbers. Where an alternative event format is adopted which requires players to compete in two or more matches (e.g. round-robin, playback, compass), such additional matches are an integral and compulsory part of the event and are not optional.

We may change the format of any event; amalgamate events or run qualifying events if we feel that it is appropriate to do so. The referee may also change any draw in the event of withdrawals.

Event Restrictions – Players born in 2000 and later may apply for ONE mini-tennis event only. Subject to age eligibility rules, other players may only apply for a maximum of TWO consecutive singles events and ONE same-gender doubles event.

Players may apply for ONE mixed doubles event, provided they not actively involved in more than two other events, by the mixed doubles event application deadline.

Late Arrivals - Please allow sufficient time for your journey to the club including allowances for delays. If you are not present and ready to play within 15 minutes of your court being ready and your match being called, you may be scratched from the match. The entry fee is not refundable in these circumstances.

Where a player withdraws or is not present and ready to play, the referee may, at his/her entire discretion fill a vacant space in the draw with a lucky loser or a reserve or award a walkover.

Liability - All players enter this tournament, use the club and compete at their own risk. Neither the tournament, its officials nor the club, its staff, management or committee will be responsible for death, personal injury, or loss of or damage to property whether occurring on the premises or otherwise, other than liability for negligence incurred under English law. If we make a mistake which prevents you from playing or continuing in the tournament, the maximum amount we shall be liable for is the value of your entry fee.

Match Dates and Times – See "Scheduling of Matches"

Match Format – In 9&U and 10&U events an approved abbreviated scoring method will be used according to entry numbers.

In all doubles events and 12U& singles events, matches shall be two sets. The tiebreak shall operate at 6 games all in the first two sets. If the score reaches one set all then a "match tiebreak" shall be played. The winner of the match tiebreak shall be the first player to win 10 points, leading by a two point margin. Should the score reach 9 points all, then the tiebreak shall be extended until one player gains a lead of two points (e.g. 11-9, 12-10).

In all other singles events, matches shall be the best of three tiebreak sets.

In the event of bad weather or other circumstances beyond our control, the referee may alter the match format for any event (or part of an event). This may mean adopting abbreviated scoring methods – some of which may not count for LTA ratings purposes.

Media Statement – Unless the tournament referee is informed prior to the start of the tournament, you consent to being involved in any publicity connected with LTA staged tournaments, including media interviews, photographs and TV footage.

Unofficial photography and video recording is not permitted without the prior consent of the tournament referee, any players involved in such photography/video footage and (in the case of players under 18 years of age) their parent or legal guardian. To avoid disruption to play, requests must be made with sufficient notice as consent will not normally be sought from players once a match (including warm-up) has commenced. A photographic consent form may need to be completed.

Non-Umpired Matches - With the exception of some finals, matches will normally be played without umpires. All players must be familiar with the LTA Guidelines for a non-umpired match, a copy of which will be on display at the tournament.

Order of Play – See "Scheduling of Matches"

Other Tournaments - It is each applicant's responsibility to ensure that they are not accepted for any other competition which takes place on any of the tournament dates (this includes other competitions run by Tennis Services UK Limited), unless prior permission is obtained from Tennis Services UK Limited (and the referee/organiser of the other tournament), prior to the published cancellation deadline. The submission of applications for multiple competitions taking place at the same time is however permitted, provided that cancellation deadlines are observed. Players who are not given permission and find themselves committed to more than one tournament on any date and are forced to withdraw as a consequence will be penalised.

Parental Permission – Applications made by or on behalf of players under 18 years of age must be countersigned by a parent or legal guardian. In the case of website applications, the registration of a credit/debit card and the use of a player's British Tennis/LTA number (or username) and online registration password shall constitute parental consent.

Prizes/Trophies – A personal prize, and/or trophy will be awarded to each winner and runner up.

Perpetual trophies must not be taken outside Great Britain and must be returned to the club prior to the start of the 2011 tournament, engraved and in the condition they were received.

Ratings & Rankings – We will use the ratings and rankings supplied to us by the Lawn Tennis Association. We will submit all applicable singles results to the LTA for inclusion in the periodic ratings and rankings calculations.

All main-draw singles events shall be LTA Grade 3 rankings events. In addition, results from ALL singles events will be submitted for LTA ratings purposes.

Referee – The tournament referee is David Fuchs. Contact telephone number: 08712 779 819. David is an LTA Accredited Referee and ITF White Badge Official and a member of the Association of British Tennis Officials.

Refunds - If we cancel the tournament, or any event, or if we are unable to accept your entry for any reason, we will refund your entry fee for any event(s) in which you have not completed a match. We will also refund your entry fee if you cancel your entry to any event within the timescales permitted (see "Cancellation of Applications") (where payment has been made by credit or debit card then a 10% deduction will be applied to cover processing costs). Refunds will not be made in the event of withdrawal due to illness, injury, failure to arrive on time or for any other reason (other than those detailed under "Liability").

Refusal of Admission - The club may refuse admission to any person without giving a reason and ask any person to leave the premises if their behaviour has caused or is considered likely to cause distress or inconvenience to others, whether in connection with the tournament or otherwise.

Refusal of Entry - We may decline to accept an application from any player.

Reasons for declining an entry would include failure to settle entry fees for a previous event or tournament, a poor history of withdrawals, failure to appear and disruptive behaviour (whether at this club or otherwise). A decision to decline an entry is never made lightly and is always done in the best interests of the tournament and in consultation with at least two members of the tournament committee.

Reserves – If you are offered a place as a reserve in any event you need not attend the tournament unless we notify you that you have been accepted to play.

As a reserve, you will be considered available to play at any time, up to and during the tournament, unless you tell us to the contrary, prior to us notifying you that you have been accepted.

If we give you more than 24 hours notice, and you decline the offer to play, then you will be charged an entry fee and incur suspension points under the LTA's automatic withdrawal penalty system.

Rules Governing This Tournament – The tournament is sanctioned by the Lawn Tennis Association ("the LTA") and will be conducted in accordance with the Rules of Tennis; the Rules & Regulations of the Lawn Tennis Association; LTA Tournament Regulations including the LTA Code of Conduct, the LTA Clothing and Equipment Regulations and the rules of the host club.

The tournament committee may alter or add to these rules in which case we will post written details on the tournament notice board and/or the tournament website. The referee shall however have general discretionary powers in interpreting any rule or regulation relating to the tournament and in situations not specifically covered by any applicable rules or regulations governing this tournament.

Scoreboards - Where scoreboards are provided these must be used. As a minimum, players must update these at each change of ends. Both players are responsible for resetting the scoreboard and returning the used match balls, tin (and any name cards provided), to the control desk, immediately after the end of each match.

Scheduling of Matches - Match times are fixed by the referee and are NOT NEGOTIABLE. All applicants are considered available to play AT ALL TIMES throughout the published dates and times of the tournament.

It is each player's responsibility to find out when they are required to play. We will normally tell you your first match date and time (or the procedure for finding this out), by email. Regardless of whether you receive an email or not, if you have not determined when you are playing within 48 hours of the start of the tournament, you must contact the tournament referee. If you do not and miss your match as a consequence, you will lose your entry fee and face possible disciplinary action by the LTA for "failure to show".

Any player who is unable to determine when they are playing should arrive at the centre in time for the start of play each day (9:30am) to find out. Any player who misses their match will forfeit their entry fee and face disciplinary action by the LTA for non-appearance.

During the tournament, you must not leave the centre without checking if and when you are required to play next. The website is updated each evening at approximately 8:30pm with the following day's order of play.

Seedings – Seedings for all main draw singles events shall be determined according each player's LTA rating. Players of equal rating shall be split according to their LTA national age group ranking. Players of equal rating who have the same ranking (or do not hold an age group ranking for the event) may be seeded at the discretion of the committee.

Sign-in - Players must sign in at the control table each day at least 15 minutes before the scheduled time of their match. Players who do not do this will not be considered to be present. Matches may be called up to 15 minutes prior to their scheduled time.

Travel Information - Travel information and a map detailing the location of the club is available from the tournament website www.tennisuk.net.

Website – The tournament website at www.tennisuk.net provides online application and payment facilities and includes up to date entry lists. Match dates/times and draw sheets will be published shortly prior to the start of the tournament. These will be updated during the competition.

Wet Weather Procedure - During periods of wet weather, matches may be considerably delayed. We will make every attempt to revise orders of play where possible and keep players informed where it is practical to do this. It is recommended that players check, before starting their journey to see if there have been any changes to the scheduling. Due to the large number of players taking part, it will not be possible to contact players individually if matches are delayed, postponed or moved to another day.

Wild Cards – The committee reserves the right to issue wild cards, in accordance with LTA tournament regulations.

Withdrawals – A player who does not wish to take part in any event and advises us prior to the published cancellation deadline shall incur no penalty and shall be entitled to a refund (see "Cancellation of Applications")

After the published cancellation deadline, any player withdrawing from a match or an event shall forfeit his/her entry fee and will receive suspension points under the LTA's automatic withdrawal penalty system.

Any player withdrawing to play in another event or tournament or on other unacceptable grounds may not be accepted for future events and tournaments managed by Tennis Services UK Limited.
